

Pennsylvania Right-to-Know Law Request

February 23, 2026

To: Right-to-Know Officer, York County, Pennsylvania

Re: Invoices and Billing Records - Law Offices of Dorothy Livaditis (York County Children, Youth & Families)

Right-to-Know Officer:

Pursuant to the Pennsylvania Right-to-Know Law (RTKL), I request copies of records sufficient to show **all invoices, billing statements, and statements of costs** submitted by **Dorothy Livaditis, Esquire d/b/a Law Offices of Dorothy Livaditis** to York County (including York County Children, Youth & Families / CYF) for the period **April 1, 2025 through February 20, 2026**.

This request includes, but is not limited to:

- All invoices (and any attachments or backup pages) submitted by the Law Offices of Dorothy Livaditis to York County/CYF;
- All statements of costs submitted (including any recurring statements submitted on a biweekly basis); and
- Any itemized billing detail associated with those invoices (time entries, billing summaries, or equivalent).

Scope clarification: This request is for invoices and billing records from the **Law Offices as a whole**, including billings for **all attorneys/other counsel and paralegals** billed under that agreement, and not solely entries billed personally by Dorothy Livaditis.

Redactions / exemptions: I understand the County may redact information that is exempt under the RTKL (for example, privileged attorney-client communications, legal strategy, or confidential identifying information regarding children/families). However, I request that the County disclose all non-exempt billing information, including at minimum:

- billing professional name (or unique identifier), title/role (attorney, associate counsel, paralegal);
- date(s) of service;
- hours billed;
- hourly rate;
- line-item amounts and invoice totals; and
- any reimbursed cost categories and amounts.

If any portion of responsive records is withheld or redacted, please provide the legal basis for each redaction/withholding, including the specific RTKL exemption(s) relied upon, and provide a redaction log or explanation sufficient to understand what was withheld.

Please provide responsive records in electronic format (PDF preferred) via email or other electronic delivery. If there are any fees, please inform me of the total cost prior to processing if the amount will exceed a reasonable threshold.

Sincerely,

Bryan Shearer
